

# ART CLASSES IN BRANTFORD ELEMENTARY

**Neighborhood Art Studios** is offering hands on Art Classes in your school. Eight weeks of learning, creating and experiencing ART! These Art Classes will spark the creativity and Imagination of students with fun Art Projects. The set of eight sessions will introduce them to many new mediums, tools and techniques. Students will learn how to draw from our illustrated step by step instruction starting from drawing animals from simple shapes, adding details and shading in different mediums such as Graphite, Oil pastels and Pencil crayons. **PAINTING** gives an amazing opportunity for children to express their perception, feelings and interests. Students will be introduced to new techniques in Acrylic Painting on canvas, learning how to mix and blend different colours, creating special effects and texture. They will be bringing paintings home done in Acrylics and Watercolours.
