Dear Brantford families,

Spring is just around the corner, and the students and staff of Brantford are looking forward to a well-deserved Spring Break! However, before we get there, our school community continues to be a busy and exciting place filled with learning, activities, and opportunities for students to grow.

We have recently welcomed Saleema Noon back to the school to talk to students about health and body science, and I encourage you to continue those conversations with your child at home. We also recently had our annual District Profession Development Day. This is a day for all teachers in the district to gather, learn and grow together. It is put on by teachers for teachers and speaks to the strong commitment we have in the district to professional growth.

Term 2 Learning Updates will be sent home on March 12th. I hope that you are able to take some time to celebrate the great things that your child/children have been doing here at Brantford.

A reminder that Spring Break begins Monday, March 16th and continues through Friday, March 27th. The school will re-open on Monday, March 30th.

I would like to wish you all a safe, relaxing, and happy Spring Break!

Kind regards,
Scott Hodges
Principal
